Making Waves Around the World

Energy Wave is a leading organization in providing wellness products without side effects, with offices and trained teams of experts all over the world.

- Headquarters: Singapore
- Research & Development office: United States
- Marketing Office: Australia, Hong Kong, Malaysia, South Korea, United States & India

Energy Wave

Our Vision

To be the leader in providing a worry-free, side-effect-free solution to holistic health.

Our Mission

Using scalar wave technology to elevate the quality of health and wellness around the world.

How Energy Wave Works

Synergising Eastern Knowledge with Western Technology to create the most innovative health and wellness products for you!

Eastern Knowledge We Use

The ancient Chinese believed that energy (Qi) flows through the meridian of the human body. This meridian can be mapped and accessed for various health and wellness purposes.

The meridian system is our **ROAD MAP** to designing state-of-the-art wellness products.

Western Technology We Use

Energy Wave products use Scalar Wave Technology to carry “radiant energy” to the meridian system, which enables the use of our proprietary non-transdermal frequency shields to deliver natural ingredients through wave frequencies into your body – without penetration or ingestion.

Scalar Wave Technology enables us to deliver what your body needs whenever your body needs it.

Meridian System + Scalar Wave Technology = Energy Wave

- Rest your energy
- Restore calmness
- Revitalize your health

Our Facts + Figures

Our technology is ...

- Designed to get your Biological Index under 5 and as close as possible to 1 - a reading that predicts greater long-term health and wellbeing
- Non-transdermal, meaning no ingredients enter your body
- 100% natural with no drugs or chemicals used
- Safe for all stages of life for both humans and animals
- Approved for production by the Singapore Government
- No risk, no side-effects, no worries!
