Why Energy Wave Works

Synergising Eastern Knowledge with Western Technology to create the most innovative health and wellness products for you!

● Eastern Knowledge We Use

The ancient Chinese believed that energy (Qi) flows through the meridian of the human body. This meridian can be mapped and accessed for various health and wellness purposes.

The meridian system is our **ROAD MAP** to designing state-of-the-art wellness products.

● Western Technology We Use

Energy Wave products use scalar wave technology to carry “radiant energy” to the meridian system, which enables the use of our proprietary non-transdermal holographic discs to deliver natural ingredients through wave frequencies into your body - without penetration or ingestion.

Scalar Wave technology enables us to deliver what your body needs whenever your body needs it.

Meridian System + Scalar Wave Technology = Energy Wave

- Rest your energy
- Restore calmness
- Revitalize your health
